

World-class research and technology transfer in marine energy

# Save the date!

## 4-5 June, 2014

1st Partnership for Research in Marine Renewable Energy  
(PRIMaRE) annual conference

Plymouth University, Drake Circus,  
Plymouth, Devon (UK)

### Themes:

- Resource characterisation
- Safe and economic operations and marine risk mitigation
- Environmental impact
- Socio-economic factors
- Arrays and farms
- Extreme loadings and survival

A collaborative initiative of:

MARINE  
RENEWABLE  
ENERGY  
WITH  
PLYMOUTH

UNIVERSITY OF  
EXETER

UNIVERSITY OF  
Southampton

University of  
BRISTOL

UNIVERSITY OF  
BATH

PML | Plymouth Marine  
Laboratory

THE MARINE BIOLOGICAL  
ASSOCIATION  
Est. 1884  
Incorporated by  
Royal Charter 2013

With the support of:

Wave Hub

SOUTH WEST  
MARINE  
ENERGY  
PARK
